Salon 188 at Castle Pines is Proud to sponsor a month long collection site for "Locks of Love", a non-profit organization that relies on donated ponytails and funds to provide hairpieces to kids under 21 with medical hair loss. Most of the kids suffer from "Alopecia Areata", a condition for which there is no known cause for. The hairpieces are custom fitted, vacuum-fitted cranial prostheses.

OUR EVENT IS IN MAY. Hair must be at least 10" long, never bleached, but layered, permed or colored is fine. Our goal is 160 donations and \$1000 in cash. All hair donors will receive a "Locks of Love" teddy bear and coupons for treats like Yogurtland and The Bundt Shoppe.
